# MOUNTED DAEMONETTE COMMAND

Servants of the Lord of Pleasure, Daemonettes are blessed with unearthly beauty, but are also terrifying. Mounted on Steeds of Slaanesh, they charge forward at the head of Slaaneshi hordes, their steeds' tongues lashing and their razor sharp claws slicing through their opponents with ease. They are led by those seen as elite even among the daemonic warriors, spreading both pleasure and despair with their Rapturous Standards and Siren Flutes.

DOGS OF WAR FOR HIRE

# GHAZAK KHAN

DOGS OF WAR FOR HIRE

## GHAZAK KHAN
## MERCENARY GENERAL

Hobgoblins are a vicious warrior race from the far east, a thousand wolf riders, the armies of the great Hobgobla Khan. Very few of these merciless warriors are seen in the west, but one of them is well known in Tilea and the south, Ghazak Khan, the Butcher of Torrico Fields, the Terror of the East, commander of the Blackwolf Mercenaries. It is rumoured that he is one of the Great Hobgobla Khan's most powerful warchiefs, but no-one has dared to ask him. Now a great mercenary general, his mighty horde has never seen defeat on the open battlefield and has a duly feared reputation as merciless killers. Ghazak rides into battle astride Warghan, a gigantic black wolf, the like of which has never before been seen in the western lands. He wields an ancient red scimitar, a symbol of his leadership, and wears the magical Daemonhead helmet which protects him from harm.

## THE FALLEN ANGEL

Relentlessly pursued and mercilessly hunted by their former brethren, they are the Fallen, willing contributors to the legacy of heresy and betrayal that runs deep through the history of the Dark Angels. Of these accursed battle brothers one is most notorious, a mysterious figure known as Cypher. An expert gun-fighter, his very presence spreads animosity and discord through friend and foe alike. He carries at his side a strange blade which no one has ever seen him draw. If the Fallen are to be believed, this is the fabled Lion Sword which he intends to return to the Dark Angels, and thereby find redemption for all of the Fallen.
